Home	Takes you back to the NamLITS online homepage
My Status	Check status of the brand (restricted or not), self-declaration submission and herd health status
Animal Identification	
- Commercial Stock Brand	Use this function to find the owner of a brand or to find the brand of a commercial producer
- Communal Stock Brand	Use this function to find the owner of a brand or to find the brand of a communal producer
- Eartag identification	Use this function to find the owner of an ear tag, using the ear tag number.
Animal Management	
- Order Tags	Order official cattle and small stock ear tags online
- Livestock Termination	Terminate livestock to remove from the herd due to death, loss, slaughter or theft
- Animal Register	Own record of livestock on the farm. This register does not influence the herd statement.
- Change Animal Classification	Change the class, breed and type of an animal
FAN Meat Forms	These records must be kept by every producer:
- Feed & Lick Register	Record of feed and lick given to livestock
- Livestock Vaccinations	Record of vaccinations and treatments given to livestock
- Employee Training	Record of employee training
Livestock Movements	
- Permit Application	Apply for a movement permit online. The permit will be mailed to the e-mail address provided
- Movement Notice Capture	Capture movement notices after the movement has taken place to move animals on NamLITS
Registrations	
- Small Stock Registration	Register official small stock ear tags on NamLITS
- Cattle Registration	Register official cattle ear tags on NamLITS
- Cattle Tag Replacement	Replace official cattle ear tags on NamLITS
Lookups	
- Herd Details	Find the herd ID, Livestock Keeper Key and Stock Brand of a producer
- Establishment Details	Find the establishment code for an establishment (eg. for abattoir to which animals will move)
- Permit Enquiry	Find the details of an issued movement permit
User Details	
- Update Address Change	Update any address changes
- Change Password	Change password with which to access NamLITS online
- Email History	Check history of e-mails received by NamLITS online
Reports	
- Cattle Movement History	Check specific animal movement history using ear tag number
- Cattle Movement Exceptions	Check any cattle movement exceptions for a specified period of time
- Herd Inventory Register	
- Herd Statement	Displays herd as it is registered on NamLITS
- New Registrations	Displays new tag registrations for a specified period of time
- Departures	Displays information for animal departures from establishment for a specified period of time
- Arrivals	Displays information for animal arrivals at establishment for a specified period of time
- Farm Permits	Displays all permits to and from establishment for specified period of time
- Outstanding Permits	Displays all outstanding permits to and from establishment for a specified period of time
- 90/40 Days Validation	Check the 90/40 day residency compliance of specific cattle or for all registered animals
- Livestock Reconciliation	Check own livestock register against the herd as registered on NamLITS to detect differences
- Herd Health Status Enquiry	Check herd health status (any notifiable diseases reported on the establishment or in the area)
Meat Board Online	
- MB Portal	Link to the MB portal on which levy payments can be submitted and permits can be applied for
Animal Health Declaration	
- Form	Submit animal health declaration online
- History	Check history of self declarations submitted by producer
Log Out	Log out of NamLITS online
